Reasons to Study at MIU

An US-Accredited Degree. License And Accreditation

Studying in the United States offers the opportunity to enter the international labor market through the “front door,” as a qualification from the USA offers a competitive advantage in many countries.

MIU is licensed by the Florida Department of Education’s Commission for Independent Education (www.fl doe.org) and is accredited by ACICS – Accrediting Council for Independent Colleges and Schools (www.acics.org).

Qualified international faculty

In our mission to make MIU the university for the real world, our international faculty balances the business and academic worlds, generating and disseminating knowledge that can be applied to all types of businesses.

Online educational leadership

At Proeduca Group, our values come from the belief that we can use innovation and technology to break boundaries, benefitting people around the world by providing access to high-quality education. MIU benefits from the group's prestigious online educational model, which is based on 4 key pillars:

- Extensive learning resources, allowing for self-study and deep diving in areas of interest.
- An exclusive personal tutor who, from day one, supports and guides the student throughout the entire academic process (Administration, Academics, Technology, etc.)
- Live online classes. Well-structured, interactive, and faculty-led, they are a true extension of the traditional classroom experience. They will always be recorded and can be accessed anytime through the online campus.
- Continuous evaluation system, for a progressive and continuous learning process.

Scholarship opportunities and flexible tuition plans

At MIU, we are committed to helping as many people as possible access the university education. For this reason, we provide a number of scholarships based on merit and potential. Additionally, MIU offers a special payment plan, allowing students to finance their studies with flexibility.

Program structure

Pre-program Getting started

Before you start the Associate degree, you will participate in an online pre-program on our virtual campus to familiarize yourself with our online platform.

Helping students better prepare for the program, our onboarding plan consists of a series of interactive group and individual sessions to help you learn to make the most of your educational experience.

During this time, you will also be given the opportunity to access an online course, our Soft Skills Track, which lays the groundwork for your upcoming transformation in key soft skill areas.

First year

The first year is designed to build a foundation for a successful degree journey through the development of essential knowledge, skills, and personal insights. Students are tested for levels of development, learn about expectations and standards, and become familiar with the values of MIU including global vision, innovation, and real-world application. The curriculum covers key business subjects and introduces essential context and appreciation for the wider world in which business operates.

You will explore the following courses:

- English Composition I
- College Mathematics I
- General Psychology
- Sociology
- English Composition II
- Principles of Management
- Business Mathematics
- Business Management
- Macroeconomics
- Computer Concepts

Second year

The second year of the Associate builds on the foundational blocks in year 1, and introduces practical courses which tests and develops the student's skills and approach to business and how to run a beauty salon or spa. It includes subjects related to the different areas of management (salon operations, human resources, accounting, business information systems...).

You will explore the following courses:

- Business Law
- Principles of Sales
- Customer Service
- Business Ethics
- Business Communication
- Business Administration
- Salon Operations
- Accounting
- Human Resources Management
- Business Information Systems

How You'll Learn

MIU offers you the opportunity to choose from two different study modes. Each format is designed to meet the different specific needs of students.

Why this modality is for you?

ONLINE

Adapting to your rhythm.

Distribute your workload according to your personal study rhythm, schedule, and career. This enables you to strike the optimal balance between your learning and professional objectives.

Top educational technology.

Our MBA employs the best use of technology for education to provide an exceptional distance learning experience. We use a combination of online discussions, multimedia documents, video conferences, workshops, and more, to provide a highly-adapted, interactive, and user-friendly educational experience.

Because life is digital.

Every day, businesses have teams scattered throughout the world, leading projects from different parts of the globe. Our online format mirrors this reality, allowing you to strike the balance between academic progress, professional growth, and personal fulfillment. Don't put your life on hold!

ON CAMPUS WITH AN HYBRID METHODOLOGY

The US Experience.

Live in Miami, an international hub of multiculturalism, and experience the hustle and bustle of a major US city.

Truly diverse.

Meet international professionals from different backgrounds and create long-lasting business relationships.

A burst of vision.

Each cohort is hand-selected and limited in size, allowing each and every student to personally interact with international faculty and classmates, getting the most out of their classes.

Dive into hybrid learning.

We live a hybrid life – using an app to book tickets, an online calendar to schedule meetings, collaborating with co-workers in person, in real time virtual spaces or by email. We need a new approach to education that flows naturally, like modern life. The Hybrid methodology offers our students a dynamic and cutting-edge learning experience that flows easily between the physical and digital worlds.

Admission Process

Students must follow the following process to be admitted to our Associate degree in Cosmetology Management.

1 Contact us

At miuniversity.edu/contact or write an email to admissions@miuniversity.edu.

3 Application form

To formalize your admission, complete the online Application (crm.miuniversity.edu/application-form) and send the required documentation to admissions@miuniversity.edu:

- High School degree transcript translated in English
- Copy of valid government issued ID or Passport
- Updated Resume
- Certificate of English Intermediate Level (*)
- Scholarship Application (if requested)

You will also be asked to pay a non-refundable Application fee (\$50 US residents, \$150 International students) and a US Degree Recognition fee - Foreign Credential Evaluation FCE (\$160).

(*) TOEFL/IELTS/PTE or alternative qualification, such as a university degree entirely conducted in English. If you do not have a certificate, MIU provides a free online language assessment test.

2 Personal interview

Speak with a personal advisor to verify if you meet the course requirements and help you prepare your admissions process.

4 FCE eligibility

After submitting your application, we need to determine the equivalency of your foreign bachelor's degree in the US. Please note that you will only be able to enroll if your FCE is approved.

5 Admissions committee decision

After evaluating your entire application, we will get back to you with a decision. If you are accepted, you will receive your Acceptance Letter and Enrollment Agreement.

Recognition of prior learning (credit transfer)

MIU has a Commission Credit Transfer Agreement that is responsible for carrying out the relevant recognition for prior learning. Speak with your personal advisor and will evaluate your particular case.

F1 Student Visa

If you have decided to study your program On Campus in Miami and you are an international student, you need to apply for an F1 Student Visa, which can be processed with the assistance of MIU.

How to get your student visa?

- 1.** Once we accept your enrollment, you will be registered for the Student and Exchange Visitor Information System (SEVIS) and must pay the SEVIS I-901 fee (\$350).
- 2.** In parallel, your personal advisor at MIU will send you a link to complete and pay the Form I-20 (\$250). Once we receive the payment receipt, we will send you the Form I-20.
- 3.** After you receive the Form I-20 and register in SEVIS, you may apply at the U.S Embassy or Consulate for an F1 visa.
- 4.** You must present the Form I-20, MIU's Acceptance Letter and Enrollment Agreement when you attend your visa interview.
- 5.** The administrative office of your Embassy will get back to you with the F1 visa resolution.

↳ We recommend international students to begin the admission process with enough time before classes start to have time to complete the visa process.
